

## ABOUT US

Michigan Christian Fellowship is a youth group that strives to bring people to Christ through the Word of God, Prayer, Fellowship, and Worship, and to build up the kingdom of God through discipleships based on brotherly love and unity. Our retreat is one of the many events we hold throughout the year that we hope will accomplish these goals. Join us for a fun-filled weekend where you will have a chance to hear a powerful man of God speak to us on the dangers of lukewarm Christianity.

**About our speaker:  
Evangelist  
Glenn Badonsky**

Glenn aka "White Tyrone" can be summed up in his favorite introduction: "I am a nobody, telling everybody, about somebody, who can save anybody". Having been an orphan and frequent outcast as a child, Glenn identifies with the rejection many youths face in today's maze of moral choices. Using humor, plain truth, and illustration Glenn seeks to touch each individual's heart tucked into the seats of each meeting place. His gift for communicating has been recognized by several world renown organizations such as Wal-mart, Starbucks, Wendy's, various grocery stores, and wherever and whenever God is directing him to speak!

## SUMMER RETREAT

One of the biggest events that MCF hosts is our summer retreat. We take one weekend out of the year where we choose to step away from our daily routine to spend time in the Word. Our hope is that by taking a short break from the many distractions in our lives, we can focus on our relationship with God, and that we can walk away from this retreat with a renewed sense of purpose. Everyone from ages 16 and up can attend, from any denomination, race, or background. Come to this retreat to enjoy a time of fellowship and worship.

## LUKEWARM CHRISTIANITY

"So, because you are lukewarm- neither hot nor cold- I am about to spit you out of my mouth."

- Revelations 3:16

Lukewarm Christianity is a struggle that many Christians face. It is the feeling of being content in where you are, not moving backward, but neither moving forward. It is idleness. Lukewarm Christianity is a state in which no progress is being made. For many of us, it is a state that we need to be shaken up out of. We hope that by delving more into the causes and issues of Lukewarm Christianity, every individual will be able to examine his or her personal relationship with Christ, and will ignite the desire to continuously grow.
